To whom it may concern.

Gerard Brick has been delivering talks on Internet Safety, and Cyber Bullying to 3rd to 6th classes in Scoil Réalt na Mara over the last number of years. The aim of the session is to teach the children how to be safe and how to act responsibly on the internet.

Gerard engages very well with the pupils, the talks are very interactive and supported by very effective videos etc. He allows time for questions at the end which can be very enlightening. The children (and the teachers) benefit enormously from the experience and I highly recommend him to other schools.

Yours sincerely,

Seán Ó Seachnasaigh
